

# DISTRICT HEATING DAYS

## TAMPERE TALO

### 25.-26.8.2027, KUOPIO

Approximately 450–500 district heating experts from all over Finland are expected to attend the District Heating Days.

The District Heating Days are a key annual event that brings together industry professionals to share the latest insights and network.

Right next to the seminar area, we will set up a meeting point. As an exhibitor at the meeting point, you will have the opportunity to showcase your company, products, and services to experts and decision-makers in procurement. The meeting point will be open throughout the seminar.
